RE: Notice to Profession

The Board gives notice to the profession that it has amended the Tariff of Board Costs to include a tariff for non-compliance of Board orders. This revision of the Board's tariff establishes the amount for non-compliance with a Board order under Rule 21(1) of the Board's Rules of Practice & Procedure. This tariff may be applied in the Board's discretion under Rule 21. For example, this may be applied in the event of a repetitive disregard and non compliance of Board orders, particularly for production of Statements of Issues Evidence & Analysis or status reports.

Rule 21(3) provides for the assignment and tariff of costs. The Registrar has determined that the cost for handling a general non-compliance issue will be \$50. In determining a cost award, the Board may consider any relevant factor including the nature of the Board order, the purpose of the Board's Rules, procedural fairness, and the Access to Justice Triple Aim initiative.

The Tariff of Board Costs with the new item 13 can be viewed at:
