DETAILED INSTRUCTIONS

The Board is the second level of appeal: Appeals must normally be filed with the first level of review, the Property Assessment Review Panel prior to their deadline January 31. See [Information Sheet 3 – Appeal Jurisdiction](#), which can be viewed on the Board’s website.

Participant Information:

You must provide the name (including pronoun he/she/they), address and day-time phone number for the person who is appealing the property assessment (the Appellant). If available, please also include the Appellant’s fax number and email address.

You are not required to hire an agent or a lawyer to appeal your property. If you do, please provide their contact information as requested on the form.

Please also indicate which method of correspondence each participant would prefer.

Property Details:

Please provide the full roll number (which is on the Property Assessment Review Panel decision notice) and civic address for each property you are appealing. Indicate whether or not your property is a supplementary roll.

A supplementary roll: is an assessment, issued by the Assessor which replaces the original assessment. A supplementary roll is issued by December 31 of the assessment year. For example:

The original assessment for the 2018 roll is completed by December 31, 2017. A 2018 supplementary roll can be issued by December 31, 2018.

In this example, if you are dissatisfied with the 2018 supplementary roll as well as the 2019 assessment, you must appeal both rolls and include both as separate entries in the Property Details section. Both rolls would have to have been appealed to the 2019 Property Assessment Review Panel.

Select whether or not the Appellant is the same person or organization as the property owner. Note: we do not require contact information on the property owners.

You may also attach a copy of your Property Assessment Review Panel decision notice.

Appeal Grounds:

Please indicate one or more grounds for your appeal.

NOTE: the grounds must be consistent with section 32(1) of the *Assessment Act* and is summarized in [“How to File an Appeal – Information Sheet 2”](#), which can be viewed on the Board’s website.

Appeal Fee Calculation:

Calculate the fees owing (\$30.00 for each roll number) and make your cheque or money order payable to the **Minister of Finance**. Include the payment when you deliver your appeal to the Board. If you are faxing your appeal, mail payment to the Board by the next business day, with a copy of this appeal form.
